Good Morning All:

I would like to propose a phone conference this week to discuss the future work at Niagara Falls Boulevard, Holy Trinity Cemetery and 738 UMR Sites. Topics to discuss would include the current status of each site, future assessment plans, funding for future removal efforts, media reports, public perception and enforcement. Does Thursday at 1:00 PM work for everyone? Joe, I am not sure who else from your branch would be included for enforcement.

Please check out the TV report about the sites.
